INTRODUCTION

THE main part of the collection offered here was formed in this country before the last war. The owner was able to choose from the great continental auctions, as can be seen from the many provenances given. Although somewhat stronger in some fields than others, *e.g.* the large groups from Magna Græcia, Central Greece and the Peloponnese, there should be much of interest here to all collectors of Greek coins, including some unusually good bronze coins and several rarities. Worthy of special mention are lots 93, the 100-litræ piece of Syracuse, and 144, the unique Alexander stater of Sidon.

Every coin is illustrated but for two or three omitted in error, and weights are given in grammes. All are in silver, unless otherwise stated.

Of especial interest to Byzantine collectors is the group of late copper skyphates offered at the end of the sale. As these have all been illustrated in a recent volume of the *Chronicle*, they are not shown on the plates here.

COIN CATALOGUES

On the average we issue twelve or more Coin Catalogues each year, some of which are usually of sales of important collections.

CATALOGUE SUBSCRIPTIONS

PRE-SALE CATALOGUES, frequently illustrated, are normally posted to subscribers about three weeks prior to the date of Sale.

PRICED CATALOGUES (not illustrated) are issued after each Sale with the prices realised printed in the margin opposite each Lot, thus giving at a glance a reliable guide to values. The final test of value must always be auction prices rather than the figures given in books of reference, for changing times and fashions soon render the latter obsolete and misleading.

The Priced Catalogues are posted to subscribers as soon as ready, usually about three weeks after the date of Sale.

Subscription Rates

(commencing from 1st January)

Pre-Sale Coin Catalogue	£1.00 per annum
Priced „ „	£2.00 „ „

(Reductions for new subscribers commencing after 1st April.)

All subscriptions expire on 31st December, and renewal reminders are issued. Catalogues of past Sales cannot be supplied.

AIR MAIL

To allow subscribers resident outside Europe time to submit postal bids, Pre-Sale Catalogues will, if desired, be sent by Air Mail. Air Mail postage is not, however, included in the Subscription Rate and must be borne by the subscriber. In such cases an additional £2.00 should be sent as a deposit and we will advise when this is exhausted.
